Although it is a requirement of my registration as a marriage celebrant to offer couples the opportunity to give feedback on my services, I also believe this is an excellent way for me to maintain high standards and continue to improve my services. To this end, I would ask if you would take a few moments of your time to fill out the following questions. Please be as honest as you can, as your comments are important to me.

I really appreciate you taking the time to complete this feedback form. If you could return this to me by email, that would be great - however, please let me know if you would prefer me to send you a stamped addressed envelope so that you can print a hard copy and send by mail.

Thank you both for having chosen me as your Celebrant: I wish you every health and happiness in your future together, and if there is anything I can do for you in the times ahead please let know. Thank you for your time.
